This report is offered to save the court time in reviewing a pending dispositive motion which is now moot due to the fact that Plaintiffs and Defendants have amicably resolved this matter through a settlement. Closing papers are being drafted and reviewed by counsel. Plaintiffs' counsel needs to respond to Medicare, which may be seeking a lien on the proceeds, but which lien appears invalid as this settlement is made on the property damage claim only. Plaintiff requests that the court provide counsel time to resolve issues with Medicare before final papers are submitted.

DATED this 10th day of June 2022.
